Dear Aultman:-

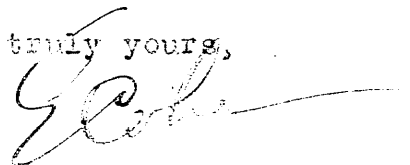

I have your letter of the 14th and also your film of "GENERAL VILLA". I read your letter that was very interesting indeed, and also forwarded it to the Publiciting Department.

I want to take this opportunity to congratulate you for your bravery in this matter. The picture was not very good; if only somehow you could have got a close-up, showing Villa so that you could see him, it would have made all the difference in the world. However, I am sure that you did your best and even the Mexican Movie Operator could not get a close-up.

I am giving you the special effort prize for Issue No. 67.

With best wishes, I am

Very truly yours,

EDITOR PATHÉ NEWS.
