Last Night At 10:20.—Will Be
Buried Tomorrow.**

Sam Molone who has been in the service of the G. H. & S. A. in this city for the past five years, passed away last night after a year's suffering with a complication of diseases. He has been unable to work for the past eight months and during that time he suffered intense agony. He was a member of the Forresters and everything was done for him that could possibly be done, but death claimed him regardless of the efforts of the best medical skill and attention. He leaves a wife and six small children to mourn his loss.

The funeral will take place tomorrow afternoon under the auspices of the Forresters of America.
