

John Reiff.

The remains of John Reiff, the popular young member of El Paso's fire department, who, during his long term of residence in this city was foreman of the paper hanging department of the Tuttle Paint & Glass company, were laid to rest in the firemen's plot in Evergreen cemetery yesterday afternoon, under the auspices of the El Paso Fire department. The funeral service was held at the fire department hall at 2:30 o'clock, Rev. Henry W. Moore, pastor of the Presbyterian church, officiating. Mr. Reiff had been a valued member of Hose company No. 2 during his residence in El Paso and as a mark of respect the entire El Paso fire department turned out to pay a last tribute. A number of friends sent floral offerings and the casket was covered with beautiful flowers.
