

*Dr. Schuster,
Pioneer Here,
Dead, aged 58*

**Native Of Hungary; Was
Prominent In National
Medical Circles.**

Dr. Michael Phillip Schuster, a native of Hungary and a resident of El Paso for 20 years, died at 8 o'clock Friday afternoon at his residence, 621 North Santa Fe street, after being in bad health for about a year.

Dr. Schuster was born 58 years ago in Győr, Hungary, and studied medicine at the University of Vienna, and practiced on the university staff for three years under Dr. Fuchs, a famous eye specialist. He came to the United States 29 years ago, locating first at Kansas City, Mo., becoming later professor of postgraduate work in the Kansas City College of Medicine and an honorary member of the medical society there.

He came to El Paso as chief surgeon for the American Smelting and Refining company, remaining with them 18 years and leaving to attend to a large private practice.

President of Society.

In 1906 he was elected president of the El Paso Medical society. He was also a member of the American College of Surgeons. He was the founder and president of Providence hospital. He was also a 32nd degree Mason.

Deceased is survived by his widow; two sons, Dr. Stephen Schuster, commander of a base hospital at Camp Shelby, Hattiesburg, Miss., and Dr. Frank P. Schuster, medical reserve corps, Cook county hospital, Chicago, Ill.; two daughters, Mrs. C. A. Reinemund and Miss Margaret Schuster, and two grandchildren, Carl Henry and Margaret Reinemund.

Dr. Frank Schuster was expected to arrive here Saturday and funeral arrangements will be made then.
