
A Sad Death.

Ferney Sullivan, the 14-year old daughter of Engineer John Sullivan, of the G. H. & S. A., died in Los Angeles at 2:30 yesterday afternoon after a very short illness.

Ferney, in company with her mother, left here some time ago to spend the summer in the cool climate of Southern California. Sunday Mr. Sullivan received a telegram from his wife stating that the daughter was seriously ill. He left immediately for Los Angeles but whether he reached there before she died or not has not been learned.

Ferney was a great favorite among her playmates here and the news of her sudden death will be a great shock to them.

The sympathy of this entire community is with Mr. and Mrs. Sullivan in their great bereavement.
