

**Death in Yaleta.**

**EDITOR TIMES:** — With saddest regrets I impart to you the sorrowful news of the death of Harry Wahl, the eight-year-old son of our esteemed townsmen, Dr. G. W. Wahl, who after a few days of illness, was quite unexpectedly taken away last night at an early hour from his grief stricken parents and sorrowing friends and schoolmates.

Sad it is indeed when death calls on anyone of our loved ones to take him from our midst, but terrible is the affliction when a bright and hopeful young life, which in its earliest budding has given great promise of future usefulness and intellectual capacity is torn away and withered by the ruthless hand of Death, leaving a vacancy that cannot be filled.

The burial will take place today at 4 o'clock in the Catholic cemetery of this city.

Very Respectfully

MAX SCHUTZ.
