Finds Coolers Appreciated By El Pasoans

All Types And Models Of Machines Sold By Local Dealer.

That El Pasoans appreciate and demand the new type evaporative coolers and sale of these adjuncts to better living is on the increase is the finding of James Galbraith, manager of the air-conditioning department of the Galbraith Steel and Supply Company.

The Galbraith Steel and Supply Company sells and installs evaporative coolers of all types and models. The company is featuring the Southwest cooler, which is manufactured in Phoenix, Ariz., and distributed in El Paso by this company.

The Southwest cooler is sold direct from the manufacturer by the Galbraith Steel and Supply Company. It is the pioneer in the field of evaporative coolers and has made a host of friends since its introduction in the El Paso Southwest.

This cooler is now available at new low prices that make it possible for anyone to enjoy the comfort of home air-conditioning. The Southwest cooler is offered in fan and blower types and in a capacity of
