

Wedding Bells For Miss Laura Bridges Ousts Her From Job

Miss Laura Lee Bridges, county home demonstration agent, while on the trip to the farmers' short course at College Station, got married, and now, according to Texas A. and M. "Hoyle," is disqualified to be county demonstration agent, she said Monday.

She was married to Glenn Martin Ables, El Paso electrician, and they will make their home here at 1217 North Mesa avenue. Mrs. Ables will be dietitian of Rio Grande Valley Dairy association. Her successor in the county work will be appointed September 1, she said. Until then the office will be vacant.
