## City Plan Commission OK's 11 Subdivisions

The City Plan Commission gave its approval to 11 new residential subdivisions last week and discussed a new ordinance to provide stricter control of commercial lighting.

Preliminary drafts of the ordinance would restrict signs for business to 16 square feet when displayed on and parallel to the building, while on developments of 10 acres or more signs will be permitted designating the office, park or center shall be permitted for each street frontage with a limit of 38 square feet.

The Plan Commission discussed particulars of the lighting source which include the limits and restrictions on the level of light.

Subdivisions approved by the commission include; Eubank Addition Unit 3; Eubank Addition Unit 4; Sierra Del Sol Addition; Chaparral Park Unit 12; Boy Scout Park; Pebble Hills Unit 6; McKelligon Addition; Glenwood Park; Las Aves Addition; Grijalva Gardens; Sandcastle. Unit 1.

The eyes of a golden eagle at four weeks possess vision that is telescopic, monocular, binocular and microscopic. Their vision is eight times finer than that of man.
